## **Addiction Recovery Services**

### **ADVANCED CASAC**

**\$47,673 - \$56,558**

**DATED: November 10, 2022**

**LAST DAY FOR FILING: November 28, 2022**

**EOE**

**DISTINGUISHING FEATURES OF THE CLASS:** Advanced Credentialed Alcoholism and Substance Abuse Counselor (CASAC) are professional members of a multidisciplinary clinical treatment team providing assessments for a therapy program tailored to the individual needs of patients and families. They play a central role in the design and delivery of a comprehensive individualized treatment program through consultation with team members, individual and group counseling of patients and families, discharge planning, community involvement, and case management services. Advanced CASAC may be responsible for augmenting services provided by other treatment team members in order to provide the full range of intensive treatment services for patients and families.

**TYPICAL WORK ACTIVITIES:** (Illustrative only)

- Performs complete screening evaluations for patients interested in entering treatment as needed;
- Performs concise and complete psychosocial assessment including clinical impression and plan for intervention;
- Utilizes OASAS Level of Care for Alcohol and Drug Treatment Referral (LOCADTR) tool to determine appropriate level of care and treatment;
- Provides individual, couple, family and group clinical treatment as required;
- Works with patient/family to formulate and review treatment plan and goals;
- Uses individualized treatment approaches in dealing with needs presented by patients/families;
- Establishes appropriate discharge plans for the patient based on appropriate level of care;
- Makes appropriate referrals to adult protective services or child protective services;
- Seeks supervision when required for clinical work;
- Demonstrates ability to utilize supervision including recognition of transference and counter transference issues;
- Performs other duties as assigned.

**ESSENTIAL KNOWLEDGE, SKILLS, ABILITIES:** Good knowledge of group and individual counseling; working knowledge of the basic principles, practices and techniques used in alcohol and substance abuse counseling and education; working knowledge of human behavior, social, economic problems and developments; ability to carry out an alcohol and substance abuse counseling program; ability to prepare reports and correspondence; ability to establish rapport;

good judgment; initiative and resourcefulness; physical condition commensurate with the demands of the position.

**MINIMUM QUALIFICATIONS:**
